GREAT BARRIER REEF • AUSTRALIA

Diagonal Lined Sweetlips

Buddy up with diver size fish

4 Nights - 13 Dives

Our best selection of Ribbon Reef dive sites north of Cooktown. Suitable for all experience levels.

Continental Shelf – Dive 100 miles north of Cairns on the edge of the shelf where nutrient rich waters attract rich marine life.

Ribbon Reefs – a prized region of the Great Barrier Reef, with excellent fish & coral biodiversity.

Lizard & North Direction Island – Choose to dive, snorkel, kayak or set foot on these beautiful and rarely visited remote islands.

Cod Hole – Swim with diver size potato cod

Steve's Bommie – a highlight with incredible marine biodiversity, both large and small.
